

Health, Safety & Environment Manual

Al Nahdha United LLC is totally committed to a policy of prevention, reduction and elimination of all undesired events that could or do result in loss. To protect the interest of Al Nahdha United LLC and its clients at all times and to eliminate using materials that have undesirable environmental side effects, Al Nahdha United LLC has embarked on a safety and environmental program which will encompass all sections and areas of Al Nahdha United LLC's operations.

The specific objectives of this program are:

- Prevention of accidents to persons.
- Prompt accident notification, investigation and reporting.
- The establishment and maintenance of a safe, healthy and productive working environment.
- Protection of property, equipment and material from all downgrading incidents.
It is vital that all employees commit themselves to the attainment of these objectives by ensuring that every task is done safely and in accordance with Al Nahdha United LLC standards.
- Environmental consideration to be a part of the decision making process.
- Pollution prevention and compliance with environmental regulations.

It is the company's policy to execute its operations at all times in such a way to ensure Health, Safety and Welfare of all its employees and all persons affected by its operations.

The company shall strive to maintain high safety standards through safety training, encouraging interest and enthusiasm in safety and by developing personal responsibility for safety. The company accepts that the responsibility for safety rests with the line management of the company and that safety matters are held in equal importance to other business objectives. The company shall conduct its operations in such a manner as to minimize any detriment to the environment. Disposal of waste shall be controlled.

The Company shall ensure the protection and safe operation of all plants and equipment. The Company shall comply fully with laws and statutes of the Sultanate of Oman.

Hassan Noor Mohd
(Managing Director)
